Vigiliae Christianae

A Review of Early Christian Life and Languages

Vigiliae Christianae contains articles and short notes of an historical, cultural, linguistic or philological nature on early Christian literature written after the New Testament, as well as on Christian epigraphy and archaeology. Church and dogmatic history are dealt with as they relate to social history; Byzantine and medieval literature are treated as far as they exhibit continuity with the early Christian period.

- Leading journal in its field.
- Extensive book review section giving a critical analysis of other titles related to the field.

Vigiliae Christianae is Indexed/Abstracted in:
BibLing, Current Contents, MLA, Religion Index One: Periodicals, Research Alert (Philadelphia).
